

LEGEND

-  Existing hedgerow retained
-  Proposed hedgerow
-  Proposed hedgerow with trees
-  Proposed tree and shrub
-  Proposed species rich grassland
-  Grassland underneath solar panels

1. Existing hedge strengthened with additional tree planting.
2. Proposed native hedge with trees.
3. Proposed species rich grassland.
4. Proposed native hedgerow along boundary extents.
5. Proposed native hedgerow to connect sections of existing hedgerow planting and to complete extent of field boundary.
6. Tree and shrub planting to filter views of DNO and battery compound.
7. Section of existing hedge removed for works access and replaced with native species.
8. Existing hedgerow allowed to grow tall (to approximately 3-4 m high) to block views of site.
